

# Then I Kissed Her

## Beach Boys

Well, I walked up to her  
And I asked her if she wanted to dance  
She looked awful nice and so I hoped  
She might take a chance  
When we danced I held her tight  
Then I walked her home that night  
And all the stars were shining bright  
And then I kissed her  
Each time I saw her  
I couldn't wait to see her again  
I wanted to let her know  
That I was more than a friend  
I didn't know just what to do  
And so I whispered I love you  
And she said that she loved me too  
And then I kissed her  
I kissed her in a way  
That I'd never kissed a girl before  
I kissed her in a way  
That I hope she liked for evermore  
I knew that she was mine  
So I gave her all the love that I had  
Then one day she'll take me home  
To meet her mom and her dad  
Then I asked her to be my bride  
And always be right by my side  
I felt so happy that I almost cried  
And then I kissed her  
And then I kissed her  
And then I kissed her
