TRIBAL

æ£®ä¹ ä¿•ç¥¥å¤ªéƒŽ

I'm standing for someone or something
I read it in the papers.
I still remember
I heard it on the radio.
CHORUS:
I'm a slogan, an old story,
A disease, never again.
I don't like this, new anger,
These young boys, just make me laugh.
This picture, I'm so nervous,

The DJ says "who are you?"
Look at me, I'm shaking,
I don't know if I can move.
Working boys ?????? tonight
I don't want to be a ???? picture
I don't want to be an old man
I don't want to be a good friend
I don't want to be a hero.
(repeat chorus)
