Just Walking In The Rain

Jonny Ray

(Just walking in the rain lonely and blue)
Just walking in the rain getting soak and wet
Torturing my heart by trying to forget so alone and blue
All because my heart still remembers you
People come to windows they all stare at me
They shake their heads in sorrow saying who can this fool be
Just walking in rain thinking how we met
Knowing things have changed somehow I can't forget
[sax]
People come to windows...
(Just walking in the rain)
