Barfly

Ray Lamontagne

Barfly
Just a barfly, baby, uh huh
Barfly
Just a barfly, baby, uh huh
Kiss me before you go
I'm going low and lately
Barfly
A barfly, baby, uh huh
Barfly
Just a barfly, baby, uh huh

Slow down
Slow down, you're movin' too fast
Slow down
Slow down, you're movin' move too fast
Kiss me before you go
I'm going low and lately
Kiss me before you go
I'm going low and lately
I'm going nowhere
I'm going nowhere...
