Waiting For Your Love

Alice Deejay

Waiting, waiting, waiting, waiting, waiting, waiting
I'm waiting for your loveI'm waiting for your love, don't want to lose that feeling
I'm waiting for your love, let me hold you in my arms
I'm waiting for your love, don't want to lose that feeling
I'm waiting for your love, let me hold you in my arms tonightI'm waiting for your love
I'm laying in my bed crying
Waiting for your love
Oh, can you give me one more chance?I'm waiting for your love, don't want to lose that feeling
I'm waiting for your love, let me hold you in my arms
I'm waiting for your love, never want to lose that feeling
I'm waiting for your love, let me hold you in my arms tonightWaiting, waiting, waiting, waiting, waiting, waiting
I'm waiting for your love
