Sunshine

Gareth Gates

I'm the first to complain about the rain
'Cause I don't like it like that
But when I see the sunshine
Breaking through the clouds
I'm lovin' the rest of the day
Come, take a walk with me
We'll take our time as we
Watch our cares float away
This is a time when I
Don't even have to try
Hope this happens today, yeah, yeah
Whatcha gonna do about it?
Whatcha gonna say when I say?
Baby, it's just one of those days
Whatcha gonna do today?
You can see that I'm smiling
There's no denying
'Cos the sun is shining
Whatcha gonna do today?
Whatcha gonna do today?
Since the clouds up above obstruct the sun
I'll be waiting indoors
(I'll be waiting)
But when I see the sunshine
Breaking through the clouds
I'm lovin' the rest of the day
Come, take a walk with me
We'll take our time as we
Watch our cares float away, yeah
This is a time when I
Don't even have to try
Hope this happens today
Whatcha gonna do about it?
Whatcha gonna say when I say?
Baby, it's just one of those days
Whatcha gonna do today?
You can see that I'm smiling
Baby there's no denying

'Cos the sun is shining
Whatcha gonna do today?
Whatcha gonna do today?
Whatcha gonna do?
Whatcha gonna do today?
(Whatcha gonna do?)
Whatcha gonna do?
Whatcha gonna do today?
(Are you gonna tell me, baby?)
Whatcha gonna do?
Whatcha gonna do today?
(Tell me whatcha gonna do?)
Whatcha gonna do today?
Whatcha gonna do today?
Whatcha gonna do about it?
Whatcha gonna say when I say?
Baby, it's just one of those days
Whatcha gonna do today?
You can see that I'm smiling
There's no denying
'Cos the sun is shining
Whatcha gonna do today?
Whatcha gonna do about it?
Whatcha gonna say when I say?
Baby, it's just one of those days
Whatcha gonna do today?
You can see that I'm smiling
There's no denying
'Cos the sun is shining
Whatcha gonna do today?
Whatcha gonna do about it?
Whatcha gonna say when I say?
Baby, it's just one of those days
Whatcha gonna do today?
You can see that I'm smiling
There's no denying
'Cos the sun is shining
