To Whom It May Concern

Natalie Cole

To whom it may concern
You found another love I know
To whom it may concern
My heart won't ever let you go
You tore my heart apart
When you found somebody new
But you found out that your heart could be broken too
So to whom it may concern
You've learned that heartache has no pridePretending unconcerned won't stop those tears you try to hide
And when you're all alone with just a memory
That's when I'll bet you'll learn the one who's most concerned is me
And when you're all alone with just a memoryThat's when I'll bet you'll learn the one who's most concerned is me
