

# That's the Way Love Goes

[Randy Travis](#)

I've been throwing horseshoes over my left shoulder  
I've spent most all my life searching for that four-leafed clover  
Yet you ran with me chasing my rainbows  
Now Honey, I love you too and that's the way love goes. That's the way love goes, babe, that's the music God  
made  
For all the world to sing it never gets old, it grows  
Losing makes me sorry, you say "Honey, now don't worry  
Don't you know I love you too and that's the way love goes." That's the way love goes, babe, that's the music  
God made  
For all the world to sing it never gets old, it grows  
Losing makes me sorry, you say "Honey, now don't worry."  
Don't you know I love you too and that's the way love goes. Now honey... Don't worry
