She's no groupie
Be far from the stars

Like
Telling all her friends in the Benz
"He don't really look 16 do he?"
112, youngest thing on tha scene
Couldn't believe when I seen
How she squeezed in them jeans
Looks like a tight situation
Make a young man make flight reservations
Just step, no intimidation's
I'm bow wow boo
Accept no imitations
Should have seen the looks on they faces
The Ice plus light, makes for good conversation
You telling me
It's a felony, to yell at me

I blew her mind she was dazed momentarily
But luckily
She stayed for some therapy
I stay pimping heavily
My game spitting thoroughly(ha ha ha)
[Chorus]Shawty (shorty) ya looking fly boy. certified.
Ya went platinum. Round tha world coast to coast.
Ya good wit me. ya get a stunner Certification.
R.R.A.A. ya good player. lil bow weezy.
It's yo turn shine baby (shine baby boy) do you lil' daddy. (do you)
Bow weezy baby!
Live it up bird call baby!
Shawty (shorty) 5ft pimpin' boy.
Ya good wit me lil one. let's roll!
[Girl]It's really, really nice to meet ya boy
Ya know I'm really feeling yo style
