Connection

Montrose

Everything is going in the wrong direction.
Doctor wants to give me more injections.
Giving me shots for a thousand rare infections
And I don't know if he'll let me go.
I just can't make no connection, whoa no.
All I want to do is get back to you.
My bags, they get a very close inspection,
I wonder why it is they suspect 'em?
They're trying to add me to their collection
And I don't know if they'll let me go, oh no.
And I can't make no connection, no
And all I want to do is get back to you.
Yeah, I can't make no connection, baby.
All I want to do
All I want to do
No connection,
I just can't make no connection.
All I want to do baby, yeah.
Everything I want to do is get back to you.
