Lullaby

Pillowtalk

If you want, I will love you
I'll open my cupboard and show you my jumpers & posters and you'll say;
Don't be afraid, I've been here before
I'm made of ivory, I'm a cannibal
What have you done? You're not a weapon, are you?
What have you done? You're not a weapon, are you?
I last forever & I have plenty time
Make marks, I do not panic
Don't be afraid, I've been here before
I'm made of Ivory, I eat cannibals
I'll tie you up, I'll sail on by, I will
Oh, I'll tie you up, I'll sail on by, I will
Oh, the whale is not my friend tonight
I've never been alone
Oh, the whale is not my friend tonight
It's just a bag of bones
Oh, the whale is not my friend tonight
