

# Rumors

Jake Miller

Yeah, heh, rumors

Yeah, we the word up on the streets  
They talk, talk, talk 'bout you and me  
Let's start some rumors, rumors  
And no, I don't know where they came from  
But I'm always down to make some, rumors, rumors  
Yeah, they saw me sneaking out your crib last night  
3 A.M. to catch a flight  
Caught me driving through your hood  
Paparazzi got me good

We like stars, yeah baby, they astronomers  
Look at everybody camping out with they binoculars  
All up in the headlines, me and the wifey  
But let them gossip girl, Blake Lively

I don't know where they're getting their news  
But I'm not mad if tonight it comes true  
Ooh, let's start some rumors  
I'mma start some rumors with you, with you  
I wanna start some rumors with you  
Yeah, rumors, I wanna start some rumors with you  
Yeah, rumors, I wanna start some....

Man, how the hell they spread so fast  
Yeah, my homie called and asked  
"Have you heard the rumors?" Wait what? Rumors  
Yeah, we the topic of the town  
We might as well just own it now  
It ain't no rumor, no, it ain't no rumor  
They caught us hooking up all in my whip  
Man, I needa tint that shit  
Now your cell is blowing up like  
"Oh my god tell me everything"

We like stars, yeah baby, they astronomers  
Look at everybody camping out with they binoculars  
All up in the headlines, me and the wifey

But let them gossip girl, Blake Lively

I don't know where they're getting their news

But I'm not mad if tonight it comes true

Ooh, let's start some rumors

I'mma start some rumors with you, with you

I wanna start some rumors with you

Yeah, rumors, I wanna start some rumors with you

Yeah, rumors, I wanna start some....

No we don't care if somebody knows, body knows

People talking that's just how it goes, how it goes

You know we love to keep them on they toes, on they toes

Yeah, so start a rumor tonight

If they ain't talking we ain't doing it right

I don't know where they're getting their news

But I'm not mad if tonight it comes true

Ooh, let's start some rumors

I'mma start some rumors with you, with you

I wanna start some rumors with you

I wanna start some rumors

I wanna start some rumors with you

I wanna start some, I wanna start some, yeah

Rumors
