Sunday

Mandy Patinkin

Remember, George
Order, design, attension, balance, harmonySunday, by the blue, purple, yellow, red water
On the green, purple, yellow, red grass
Let us pass through our perfect park
Pausing on a SundayBy the cool, blue, triangular water
On the soft, green, elliptical grass
As we pass through arrangements of shadows
Towards the verticals of trees, foreverBy the blue, purple, yellow, red water
On the green, orange, violet mass of the grass
In our perfect park, made of flecks of light
And dark and parasolsPeople strolling through the trees
Of a small suburban park
On an island in the river
On an ordinary Sunday
Sunday, Sunday, SundayWhite, a blank page or canvas
His favorite, so many possibilities
