Rainy Days

Vonda Shepard

We were walking above
Pretending to be in love
In phases I watched you float awayI was under the gun
Trying to have some fun
In phases I watched you slip awayRemember all these rainy says
We saved them up but tomorrow never came
And now these rainy days are clouding up
Even, even the clearest of daysWe were sticking it out
Getting used to the doubt
In phases you watched me drift awayNow I'm taking a train
Shooting through the rain
Amazed that I'm alone here
Once againRemember all these rainy days
We saved them up but tomorrow never came
And now these rainy days are clouding up
Even, even the clearest of days, yeahI watched you float awayRemember all these rainy days
We saved them up but tomorrow never came
And now these rainy days are clouding up
Even the clearest of daysThese rainy days
We saved them up but tomorrow never came
And now these rainy days are clouding up
Even, even the clearest of daysAnd now these rainy days are clouding up
Even, even the clearest of days
