Bulletproof

Godsmack

Contemplating, Isolating and it's stressing me outDifferent visions, contradictions, why won't you let me out?I need a way to separate it,
but I promised you that I'll make sure you never forget meNow that you want it
Now that you need it I'm to far gone
You're trying to blame me
But I'm not breaking
I'm telling you I'm bullet proof
Believe me I'm bulletproof
You make me so bulletproof
And now I'm to far gone
You're addicted and so twisted that it's freaking me out
Distant eyes it's no surprise that you can do anything nowI need a way to seperate it, but I'm telling you that nothing will ever be the sameNow that you want it
Now that you need it I'm to far gone You're trying to blame me
But I'm not breaking
I'm telling you I'm bullet proof
Believe me I'm bulletproof
You make me so bulletproofAnd now I'm too far gone.....Now that you want it, now that you need it I'm too far gone
You're trying to blame me
But I'm not breaking
I'm telling you I'm bulletproof
Believe me I'm bulletproof
You make me so bulletproof
And now I'm too far gone
I'm telling you I'm bullet proof
Believe me I'm bulletproof
You make me so bulletproofAnd now I'm too far gone
