Messin' With My Mind

Randy Travis

I said one thing I'd never do was care
Or hang around for too long anywhere
I could always move ahead with nothin' left behind
An' then you started messin' with my mindThis town was just another place to play
To have some fun an' then be on my way
An' you were just another way for me to pass some time
An' then you started messin' with my mindI can't believe how much my mind has changed
Or the way my life's been rearranged
I swore one thing I'd never do was be the stayin' kind
An' then you started messin' with my mindThe first in line for party time was me
Always the last to leave or try to be
I never thought I'd wanna change, I suited me just fine
An' then you started messin' with my mindI can't believe how much my mind has changed
Or the way my life's been rearranged
I swore one thing I'd never do was be the stayin' kind
An' then you started messin' with my mindI swore one thing I'd never do was be the stayin' kind
Then you started messin' with my mind
