Worthless

Ministry

Hate yourself
Self preservation
Torture yourself
Til the system cracks
Despise yourselfYou're worthless
You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
Means nothing to meKill yourself
That's what you wanted
Pity yourself
You're a righteous man
Destroy yourselfYou're worthless
You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
Means nothing to meRape yourself
Self-degradation
Fuck yourself
Till there's no way back
Just fight yourselfYou're worthless
You're worthless
You're worthless
You're worthless
You're worthless
You're worthless
Means nothing to me
