Cinema

The Tributers

I could watch you for a lifetime, you're my favorite movie
A thousand endings, you mean everything to me
I never know what's coming, forever fascinated
Hope you don't stop running, to me 'cause I'll always be waiting
You are a cinema, I could watch you forever
Action, thriller, I could watch you forever
You are a cinema, a Hollywood treasure
Love you just the way you are
A cinema, a cinema,
[X3]Get up get down,
Lose that sound,
My DJ gonna break it down
Get up get down,
Lose that sound,
Drop the bass
Stars spell out your name, like in a science-fiction drama
Romance growing, like a flower in the summer
You always keep me guessing, forever my wonderful

Hope you start undressing, all my dreams and take me under
You are a cinema, I could watch you forever
Action, thriller, I could watch you forever
You are a cinema, a Hollywood treasure
Love you just the way you are
A cinema, a cinema
[X3]Get up get down,
Lose that sound,
My DJ gonna break it down
Get up get down,
Lose that sound,
Drop the motion
You are a cinema, I could watch you forever
Action, thriller, I could watch you forever
You are my cinema, a Hollywood treasure
Love you just the way you are
A cinema, a cinema, a cinema
A cinema, a cinema, a cinema, a cinema, a cinema, a cinema, a cinema, a cinema....
