High As Hello

Tweedy

So long I will wait for
Howl at the moon
So long all the way home
Sit at the spoon

I should take you to
Iâ€™m as high as
Iâ€™m as high as hello

All the way it falls
Wicked will die
So alone I know Iâ€™m shade grown
Now why would I

Iâ€™ll take you to
Iâ€™m as high as
Iâ€™m as high as

Iâ€™ll take you to
Iâ€™m as high as
Iâ€™m as high as hello

So long all the way it falls
The wicked will die
Iâ€™m alone all over tone
Rivers wait

I should take you to
Iâ€™m as high as
Iâ€™m as high as hello
Hello

Iâ€™ll take you to
Oh Iâ€™m as high as
Iâ€™m as high as

I should take you to
Oh Iâ€™m as high as
Iâ€™m as high as
