Falling (Ft Alex G)

Tyler Ward

If I could only read your mind
To understand what you are thinking
I'd take a step back into time
But that it is me, I'm only dreamingWell, can I stand the fear of walking
Will I disappear and walk away
But let it be for another day again'Cause I'm falling down again
And I do not know the reasons
That I'm falling down again, againI close my eyes and wonder why
I can't put this all together
I want to let you go this time
But the addiction's growing stronger
The fighting's getting harderCan I stand the fear of walking
Will I disappear and walk away
But let it be for another day again, yeah'Cause I'm falling down again
And I do not know the reasons
That I'm falling down again, againAnd only time can heal this pain
But just make it through another dayYeah, yeah, yeah, whoa, whoaAnd I'm falling down again
And I do not know the reasons
That I'm falling down again, againAnd I'm falling down again
And I do not know the reasons
That I'm falling down again, again
