Unless You Speak From Your Heart

Porcelain Raft

That's all I need
To sit in the sunThere's something here
That makes me runIt's all in my head
Or is it you instead?We are not enemies
But we don't have to get alongAnd I don't wanna listen
Unless you speak from your heart
unless you speak from your heartYou can be weak
Without provoking strengthand I don't want to be here
When you will face yourselfWe are not enemies
But we don't have to get alongAnd I don't wanna listen
Unless you speak from your heartunless you speak from your heart
