All I've Got to Give

Emma Forman

Your demands of me are too high
The stress I can longer hide
I'm sorry but I won't be back this timeCos I gave you all I've got to give
there is nothing left to give you anymore
oh, I gave you all I've got to give
but it is still not enough for youThe pain you inflict is too cruel
You're tearing me to shreds
with every word you sayAnd I gave you all I've got to give
there is nothing left to give you anymore
oh, I gave you all I've got to give
but it is still not enough for youThe anger in your eyes shines through
I know often speak about leaving you
but this time I'm really going to goCos I gave you all I've got to give
there is nothing left to give you anymore
Yeah I gave you all I've got to give
but it's never enough for you
Yeah I gave you I've got to give
there is nothing left to give you anymore
Oh, I have you all I've got to give
but it is still not enough for youoh it is never enough, Oh never enough
it is never enough for you
Oh it is never enough, oh never enough for you its never enough for you
I gave you I got, I gave you I got, I gave you all I got to give
but it is never enough, never enough for you
