Take Over Control (Feat. Eva Simons) [Radio Edit]

Afrojack

I want you to take over controlI think it's time to let you know
The way I feel when you take hold
One single touch from you, I'm gone
Still got the rush when I'm alone
I think it is time I let you know
Take over me, I will devote
You set me free, my body's yours
It feels the best when you're involvedI want you to take over control
Take over control
Take take take take over control
Oh oh oh, I want you to take over control
Plug it in and turn me onI want you to take over control
Take over control
Take take take take over control
Oh oh oh, I want you to take over control
Plug it in and turn me onOh, I want you to take over control
Take over control
Take take take take over control
Oh oh oh, I want you to take over control
Plug it in and turn me onBaby, baby, can't you see?
That I'm giving all of me
So, it's up to you now
We could let time pass away
I'll make an excuse to play
But, it's up to you now
Just wanna fulfill your needs
While you're taking over me
So, what do you want now?
Take a picture, make a show
'Cause nobody has to know
All the ways that we get downI want you to take over control
Take over control
Take take take take over control
Whoa oh oh I want you tot take over control
Plug it in and turn me onOh, oh whoa oh
Oh, oh whoa ooh oh
Plug it in and turn me on
Oh, oh whoa oh
Oh, oh whoa ooh oh

Plug it in and turn me onOh, oh whoa oh
Oh, oh whoa ooh ohOh, oh whoa oh
Oh, oh whoa ooh oh
Plug it in and turn me onPlug it in and turn me on
