# U + Me (Matt Nevin edit)

## Neon Hitch

You plus me
That's all we need
You plus me
That's all we need
So just let yourself go
Until that place we know
Everything moves slow
Until we lose control
Now can you feel the heat
When our bodies meet
It's like chemistry
Baby it's you plus meYou plus me (x8)You plus me
That's all we need
Baby you plus me
That's all we need
So just let yourself go
Until that place we know
Everything moves slow
Until we lose control
Now can you feel the heat
When our bodies meet
It's like chemistry
Baby it's you plus meYou plus me (x8)
