Motema

Kaysha

hey girl.hey girl
you now what they say
everbody has a special song
motema na nga e lingaka yo
motema na nga e lingaka yo
for ever you for ever me
i miss you on the sunday
i said to my self what a good day
i want to see you like always
a milions in a race always
in a sadunt of a minute my hole life change in a minute
not to win it not to live it
love and life like a minute
