candles

polyABC

You're going down and it feels good
But you ain't wearing what you should
All the people that you've had
The time is over
Count your blessings, count the times
You forgot their names commit the crimes, yeah
All the people that you've had
The time is over
Oh, it's time to make amends
You've been burning the candle at both ends
Oh, it's time to make amends
You've been burning the candle at both ends
Oh, it's time to make amends
You've been burning the candle at both ends
