

# Fairytale

Dana

Imagine what a fool you could have made of me  
Just think of what you are doing to my pride.  
You run around and love a lot and never know  
The good you have got.  
Away you go and away you've been but don't you know you are living in a . . .  
Fairytale  
I do believe that you believe  
Your fairytale  
Imagining it's happening they do come true  
But you only alone believe that too.  
You're walking on a tight rope but you'd better know  
There is no one there to catch you if you fall.  
But I understand what's in your mind  
And now you're waiting right behind  
I should have known it from the start  
I'd only be another part of your . . .  
Fairytale  
I do believe that you believe  
. . .
