Sticky Fingers (Lane 8 Remix)

Above & Beyond

We painted the picture you want
I wanted it too
But now there's something that I
Would like you to doGet your sticky fingers out of my head
Get your sticky fingers out of my headIt's not that I'm ungrateful for
The chance to dream and then explore
But your elegant dinosaur limbs
Are still willfully bruising my skinGet your sticky fingers out of my head
Get your sticky fingers out of my headGet your sticky fingers out of my head
(Get your sticky fingers out of my head)
Get your sticky fingers out of my head
(Get your sticky fingers out of my head)
Get your sticky fingers out of my head
(Get your sticky fingers out of my head)
Get your sticky fingers out of my head
(Get your sticky fingers out of my head)Get your sticky fingers out of my head
Get your sticky fingers out of my headGet your sticky fingers out of my head
(Get your sticky fingers out of my head)
Get your sticky fingers out of my head
