# Hide And Seek

## ISpyStrangers

When I'm looking here and there,
And I'm searchin' everywhere to find your LOVE
But you play so hard to get
And I haven't found out yet where you are.

You'll never find
Just what you got.
Here I come.
Ready or not.

Hide and seek.
It's just a game we play.
Hide and seek.
Swear I gotta find you.

Sneakin' up behind you.
Hide and seek.
When I tried so hard to see
How you keep this mystery around our LOVE

Every simple breath you take
Always makes the love we make seem so new
You're up to your
Old tricks again.

I close my eyes
And count to ten.
Hide and seek.
It's just a game we play.

Hide and seek.
Swear I gotta find you.
Sneakin' up behind you.
Hide and seek.

Hi hi hi hide.
You'll never find just what you got.
Here I come.
Ready or not.

Hide and seek.
It's just a game we play.
Hide and seek.
Swear I gotta find you.

Sneakin' up behind you.
Hide and seek.
Hide and seek.
It's just a game we play.

Hide and seek.
Swear I gotta find you.
Sneakin' up behind you.
Hide and seek.

Hide and seek.
Hide and seek.
Hide and seek.
Hide and seek.

Hide and seek.
Swear I gotta find you.
Hide and seek.
Hide and seek.

Hide and seek.
Sneakin' up behind you.
