Eye Of The Greyhound

Unanimated

the silent years of helpless crying
the bridge of hate travels in my mind
beyond all the doors of gruesome hunger
I hear the threnodes, I beholdeye of the greyhound
the eye of the greyhoundthe dreaming moon so bloodlike
the feeding of the never ending nightend of time
the eye of my mindso much pain and so much losts
helpless words cries in the aireye of the greyhound
the eye of the greyhoundthe eyes inside of me
please take them away, away
