Oh My God lets go to the the mall!.....

Lets go to the mall,
You know they have it all,
Pshyeah
(lets go to the mall)
Lets go to the mall,
You know they have it all,
Pshyeah
(lets go to the mall)

I want to go to every store,
They call me clearance isle whore,
I wanna shop until I hit the floor,
Look at all the pretty boys,
Lets go play in K B toys,
Come on everbody lets make some noise,
Pshyeah!

Look at all the fashion zombies,
hangin out at Abercrombie
Shop (shop) until we Drop (drop)
Rockin down the escalator.
Moshin in the elevator,
Shop (shop) until we Drop (drop)

Lets go to the mall,
You know they have it all,
Pshyeah
(lets go to the mall)
Lets go to the mall,
You know they have it all,
Pshyeah

(lets go to the mall)

Look how everybody stares,
Lets just act like we don't care,
Come on everybody lets Build-A-Bear
It's time to walk around and flirt,
Come on lets go find your self a skirt
Come on and make those tight pants work,
(work it)
Gotta get some shoes,
Gotta get a new belt,
Gotta get some jeans,
Gotta get a new top,

Shop (shop) until we Drop (drop)
Rockin down the escalator,
Moshin in the elevator,
Shop (shop) until we Drop (drop)

Lets go to the mall,
You know they have it all,
Pshyeah
(lets go to the mall)
Lets go to the mall,
You know they have it all,
Pshyeah
(lets go to the mall)
