Eyy yeah Eyy yeah Eyy yeah
Eyy yeah Eyy yeah Eyy yeah
Eyy yeah Eyy yeah Eyy yeah oh

My reflection was in the window of the train

I boarded in the new town.
My eyes seemed uneasy.

You taught me
not to forget my true self
I wonder if youâ€™re even shining now

The flowing scenery made me take a deep breath.
And looking up the skyâ€™s horizon
I hear your voice

Even if you leave me far away,
if I close my eyes,
your heart will be near
All my love is for you
Nothing left to lose
The meaning of your love, more than anybody else
because I know the strenght

because I know

Eyy yeah Eyy yeah Eyy yeah
Eyy yeah Eyy yeah Eyy yeah
Eyy yeah Eyy yeah Eyy yeah

Your love has lightened
Because I know its strength
Because of the slanted world

it seems like Iâ€™m tumbling down
You supported me. Even standing on a shaking train
Your simple smile is the best

Even if the world ends,
I will believe in your smiling face for eternity.
I decided at that time.

Even if you leave me far away,
if I close my eyes,
your heart will be near.
All my love is for you
Nothing left to lose
The meaning of your love, more than anybody else
because I know the strenght

All my love is for you

Eyy yeah Eyy yeah Eyy yeah
Whatever the future holds,
I will open it with these hands

Even from the far and distant roads,
you continue to shine for me so
You can start to run with fear (not for you)
The meaning of your love, more than anybody else
because I know the strenght

Eyy yeah Eyy yeah Eyy yeah
Eyy yeah Eyy yeah Eyy yeah
Your heart will be near
Eyy yeah Eyy yeah Eyy yeah
Eyy yeah Eyy yeah Eyy yeah
All my love is for you
Eyy yeah Eyy yeah Eyy yeah
Your heart will be near
Eyy yeah Eyy yeah Eyy yeah
Eyy yeah Eyy yeah Eyy yeah
Your heart will be near
