You're so Good

Joy Zipper

You're so good you kill me with your words
And bring me back a hundred times
I'll follow you where ever you go
I'll even stay inside
Thank you so much
I'm where I wanna be
Thank you so much
I'm where I wanna be
Ooooooooh
Even when the days seem so long
And the times are days feel so small, so small
I put my life in your hands
And then you delivered me
As long as I know that you're here
I'll give you everything
Thank you so much
I'm where I wanna be
Thank you so much
I'm where I wanna be
Ooooooooh
Even when the days seem so long
And the times are days feel so small, so small
Ooooooooh
Ooooooooh
Even when the days seem so long
And the times are days feel so small
Even when the days seem so long
And the times are days feel so small
Even when the days seem so long
And the times are days feel so small
