Lost In Love

Sianoa

I'm lost
in a cosmic ocean of your love
Just take me
If it feels so right what are you waiting for
It's like time is still
but the planets keep moving
and I cant deny
the way that I'm feelingI'm lost in love, I'm lost in love, I'm lost in love, I'm lost in love
I'm lost in love, I'm lost in love, I'm lost in love, I'm lost in loveand I know it's gonna be alright
like the stars shine on through the night
and I know it's gonna be alright
like the stars shine on through the night
I'm lost in loveIf you
believe in us this is our chance to run
and chase our dreams
while were still young in love
because you know all we really are is stardust
and when you hold me tight
you remind me what forever feels likeI'm lost in love, I'm lost in love, I'm lost in love, I'm lost in love
I'm lost in love, I'm lost in love, I'm lost in love, I'm lost in loveand I know it's gonna be alright
like the stars shine on through the night
and I know it's gonna be alright
like the stars shine on through the night
I'm lost in loveI'm lost in love, I'm lost in love, I'm lost in love, I'm lost in love
I'm lost in love, I'm lost in love, I'm lost in love, I'm lost in loveand I know it's gonna be alright
like the stars shine on through the night
and I know it's gonna be alright
like the stars shine on through the night
I'm lost in love
