Day By Day

Miss May I

Hey hey hey
Hey hey hey
Hey hey hey
FIGHT, I will fight for this
I will fight for what
I worked for
CARRY, I can't carry your weight
Carry your weight anymore
PROTECT. I've protected
The family
Now I will protect myself
GIVE, I have set you free
But what have you gave me
I can't see the point in living day by day (Day by day)
Opportunities arranged for you to take (for you to take)
I can't see the pint in living day by day (day by day)
Why must I carry you alone? You're killing me
(You're killing me)
TAKE, you have taken it all
Taken everything I am
PUSH, I've been pushed to the edge
I am never coming
Back

BREAK, the way you broke my trust
And now I will break free of you
FAITH, there is no faith anymore
I have no faith in you
I can't see the point in living day by day (Day by day)
Opportunities arranged for you to take (for you to take)
I can't see the pint in living day by day (day by day)
Why must I carry you alone? You're killing me
(You're killing me)
I hope this makes you
I hope this makes you
I hope this makes you finally recognize
I hope this makes you finally recognize
I hope you see
This through my shattered eyes (My shattered eyes)

I hope this makes you finally recognize
I hope you see
This through my shattered eyes (My shattered eyes)
I can't see the point in living day by day (Day by day)
Opportunities arranged for you to take (for you to take)
I can't see the pint in living day by day (day by day)
Why must I carry you alone? You're killing me
(You're killing me)
