Nothing Will Change

Number One Fan

Don't go away yet.
I haven't felt this dead in years.
This room's full of people
With drinks in their hands,
And nothing but nothing to say.Don't go away yet.
It seems like everyone I love is gone.
I'm praying for some kind of change.
Nothing's changed, and nothing will change.
Don't let me down, you were the last thing left to believe in.
All will come down, you're still the only thing I feel complete in.Don't go away yet.
True love is dying off.
Where everyone is searching,
I'm just a face in the crowd.Don't let me down, you were the last thing left to believe in.
All will come down, you're still the only thing I feel complete in.
(I could take it all if you came back. I dreamed of you and it came true.)
Said you wanted distance, this is what you get.
The distance was half near far enough.
Said you wanted distance, this is what you get, this is what you get.
(I could take it all if you came back, I dreamed of you, I dreamed of you.)Don't let me down, you were the last thing left to believe in.
All will come down, you're still the only thing I feel complete in.
