Need More

Backdoor Blues Band

everything you say to me is a lie you've lost control all you say is just a mask for what you feel down deep inside and i don't care about getting your respect not in your eyes it's just an illusion a faded dream of what we had and so much more so if you wanted to ask and i think you should know i've given up on the past now i know that i need more this time everytime i try to make you understand you look away and now i know you are never going to change you've lost control i wanna know how you lost your self-respect you are so blind it's not an illusion and i can't understand why you don't want more
