Xmas Eve

Born Against

A nation of nonbelievers unrepentant in their hearts pious one night out of every year ease the mind ditch the guilt and alls right and just on xmas eve the jokes on them the dead are never gonna rise again Rise again on xmas morning three cheers for santy hip hooray our saintly concern for world peace lies at our feet undisguised as naked greed the joke's on them the dead are never gonna rise again and christ's dead flesh keeps right on rotting.
