Loretta

Neko Case

When I talk to Loretta
Oh, boots, socks and sweater
Well, she hugs me sweet and low
And it's never let me goWhen I talk to Loretta
She makes me feel like number one
When I talk to Loretta
She makes me feel like number oneWell, I heard her on the wire
Oh, sweet Loretta, child
She hugs me sweet and low
And it's never let me goWhen I talk to Loretta
She makes me feel like number one
When I talk to Loretta
She makes me feel like number oneWhen I talk to Loretta
When I talk about the feeling
She hugs me sweet and low
And it's never let me goWhen I talk to Loretta
She makes me feel like number one
When I talk to Loretta
She makes me feel like number one
Two, three, four, five, six, seven, eightWhen I talk to Loretta
When I talk to Loretta
She make me, she make me, she make me
