Seeing Is Believing (151)

Acceptance

Time winds down as you stretch upward to heaven
His blood resounds as it's not over precursor
They'll paint them red, those things you said.
They'll paint them red, what you said.I miss you. I miss you
And I miss you
I need you. I need you
And I need you more
Can see you. I see you
Can I see you more?I want to defend as I hold you so closely to me. to me.
You speak of peace. Well how can that be. Surround me
I can't believe the pain received and I can't believe what you saidI miss you. I miss you
And I miss you
I need you. I need you
And I need you more
Can see you. I see you
Can I see you more?And I felt it. You're not fading
I felt it. I'm not fading
I felt it. You're not fading
I felt it. I felt itI miss you. I miss you
And I miss you
I need you. I need you
And I need you more
Can see you. I see you
Can I see you now?
