Lyrics by Phil Wilde, Peter Bauwens & Steven Tracey
Come on! - Come on!
Come on! - Come on!
Prayin' for the good times
So'long to the bad times
Baby are you ready - Here we go
Turn you up - There's no limit
As long as you're in it
Give it all you got - Just let it show
Are you in for the fast ride - I'll take you out on the wildside
Are you in for the fast ride - Livin' life on the faultline
Are you in for the fast ride - I'll take you out on the wildside
Are you in for the fast ride - Do it, do it ! You can do it
Never ever never ever surrender
Let all you dreams come true
Never ever never ever surrender
We will make it through
Never ever never ever surrender
If you want it too
It's all up to you - Don't ever surrender
Oh yeah - Never surrender
You've got the power - It's yours to devour
Go where you have never been before

Never stop when you're winning
It's only beginning
You don't have to fake it anymore
Are you in for the fast ride - I'll take you out on the wildside
Are you in for the fast ride - Livin' life on the faultline
Are you in for the fast ride - I'll take you out on the wildside
Are you in for the fast ride - Do it, do it ! You can do it
Never ever never ever surrender
Let all you dreams come true
Never ever never ever surrender
We will make it through
Never ever never ever surrender
If you want it too

It's all up to you - Don't ever surrender
Never surrender - never surrender
Do it, do it ! You can do it
Never ever never ever surrender
Let all you dreams come true
Never ever never ever surrender
We will make it through
Never ever never ever surrender
If you want it too
It's all up to you - Don't ever surrender
You don't have to fake it anymore
You'll never surrender !
