Ain't Nothin' You Can Do

Van Morrison

When you got a headache
And you try to soothe the pain
Go right back to sleep
And you'll feel alright againWhen you got a backache
Little rubbin' will see you through
When you got a heartache
There ain't nothin' you can doThere ain't nothin' you can do
There ain't nothin' you can do
When you got a heartache
There ain't nothin' you can doA man can't break a stone
So he tried another lick
Iceman can't break his ice, Lord
So he tries another pickYour electric lights go out
A candle light will see you through
When you got a heartache
There ain't nothin' you can doThere ain't nothin' you can do
There ain't nothin' you can do
When you got a heartache
There ain't nothin' you can do, heyMan can't break a stone
So he tried another lick
Iceman can't break his ice, Lord
So he tried another pick'Lectric lights go out
A candle light will see you through
When you got a heartache
There ain't nothin' you can doThere ain't nothin' you can do, Lord
There ain't nothin' you can do, hey
When you got a heartache
There ain't nothin' you can doEvery time I think about it
Every time I think about it
When you got a heartache
There ain't nothin' you can doEvery time I think about it
Every time I think about it
Every time I think about it
