Hello Dolly

Kenny Ball

Hello, Dolly, this is Louis, Dolly
It?s so nice to have you back where you belong
You?re lookin? swell Dolly, I can tell, Dolly
You?re still glowin? you?re still crowin? you?re still goin? strong
I feel that room swayin? while the band?s playin?
One of our old favorite songs from way back when
So take her wrap, fellas find her an empty lap, fellas
Dolly?ll never go away again
I feel the room swayin? while the bands playin?
One of our old favorite songs from way back when
So Golly Gee fellas, have a little faith in me fellas
Dolly?ll never go away fellas?ll never go away
Dolly?ll never go away again
