# In Love & Life (feat. Deni Gauthier)

## Rose Cora Perry

V1: I wandered alone
Searching for a dream
As the tide rolled in
It brought a memory
I canâ€™t comprehend
All the places Iâ€™ve been
Iâ€™m growing so old
Iâ€™ve got a eulogy

V2: When I saw you
Everything changed
My numbness did fade
I could feel again
If just for a moment
Things ended too soon
All thatâ€™s left is a bruise
That only time can mend

Chorus: I wanna be the kiss of life that sets you free from pain
I wanna be the kiss of love that makes you feel again

V3: I sought you out
To learn the lies we were told
I gave you my truth
You wouldâ€™ve never known
In my search for answers
I found it all
Everything that Iâ€™d wanted
But was never shown

V4: But you were too broken
So downright abused
I had to pay
For things I didnâ€™t do
And now Iâ€™m swimming in circles
Between hopeful and doubt
But as much as I drown
I wonâ€™t accept the help

Bridge: And if youâ€™d only open wide

Youâ€™d see all the signs
That brought us here
Letâ€™s disappear
I want you for the rest of my life
The rest of my life
