Heart of Worship

Randy Travis

When the music fades
And all is stripped away
And I simply come
Longing just to bring
Something that's of worth
That will bless Your heartI'll bring You more than a song
For a song in itself
Is not what You have required
You search much deeper within
Through the way things appear
You're looking into my heartI'm coming back to the heart of worship
And it's all about You
It's all about You, Jesus
I'm sorry, Lord, for the things I've made it
When it's all about You
It's all about You, JesusKing of endless worth
No one could express
How much You deserve
Though I'm weak and I'm poor
All I have is Yours
Every single breathI'll bring You more than a song
For a song in itself
Is not what You have required
You search much deeper within
Through the way things appear
You're looking into my heartI'm coming back to the heart of worship
And it's all about You
It's all about You, Jesus
I'm sorry, Lord, for the things I've made it
When it's all about You
It's all about You, JesusI'm coming back to the heart of worship
And it's all about You
It's all about You, Jesus
I'm sorry, Lord, for the things I've made
When it's all about You
It's all about YouWhen it's all about You
It's all about You, Jesus
