

Unordinary Day

LoCash Cowboys

Clear my schedule,
I need a break from all this miss,
Relaxation from frustration,
Iâ€™ve put in my request,
I need to feel the sunlight,
And breeze upon my face,
Destination, vacation, baby Iâ€™m on my way.
Leave this crazy place behind me,
Book a flight and do things my way,
Deadlines are gonna have to wait,
â€™cause Iâ€™m leavinâ€™ today.

Chorus:

Where thereâ€™s no downtown,
Thereâ€™s no fast pace,
Thereâ€™s no busy,
Thereâ€™s no rat race,
No AOL sayinâ€™ youâ€™ve got mail,
To interrupt our day,
Thereâ€™s no worry,
Thereâ€™s no hurry,
No red lights to make us late,
Thereâ€™s no workinâ€™ overtime,
On this unordinary day.

Iâ€™ll trade the worn out carpet,
For sand beneath my feet,
Trade the street lights,
For the star lights,
And the sunset on the beach,
My boss is screaminâ€™,
But Iâ€™m dreaminâ€™
About soaking up the sound
Of the quiet, the silence,
Of no one else around
Eighty hours a week Iâ€™m givinâ€™
All my life Iâ€™m still not livinâ€™
Free to fly

My hope is that Iâ€™m gonna leave it all behind

Chorus:

Where thereâ€™s no downtown,
Thereâ€™s no fast pace,
Thereâ€™s no busy,
Thereâ€™s no rat race,
No AOL sayinâ€™ youâ€™ve got mail,
To interrupt our day,
Thereâ€™s no worry,
Thereâ€™s no hurry,
No red lights to make us late,
Thereâ€™s no workinâ€™ overtime,
On this unordinary day.

Leave this crazy place behind me,
Book a flight and do things my way,
Deadlines are gonna have to wait,
â€™cause Iâ€™m leavinâ€™ today

Chorus:

Where thereâ€™s no downtown,
Thereâ€™s no fast pace,
Thereâ€™s no busy,
Thereâ€™s no rat race,
No AOL sayinâ€™ youâ€™ve got mail,
To interrupt our day,
Thereâ€™s no worry,
Thereâ€™s no hurry,
No red lights to make us late,
Thereâ€™s no workinâ€™ overtime,
On this unordinary day.

Clear my schedule,
I need a break,
Itâ€™s gonna be an unordinary day
