Right to be wrong

Cixi

I've got a right to be wrong
My mistakes will make me strong
I'm steppin' out into the great unknown
I'm feelin' wings though I've never flown
Got a mind of my own
I'm flesh and blood to the bone
I'm not made of stone
Got a right to be wrong
So just leave me alone
Got the right to be wrong
I've been held down too long
(Woo)
I've got to break free
(Woo woo)
So I can finally breathe
Got a right to be wrong
Got to sing my own song
(Woo)
I might be singin' out of key
(Woo woo)
But it sure feels good to me
Got a right to be wrong
So just leave me alone
You're entitled to your opinion
But it's really my decision
(Woo)
I can't turn back I'm on a mission
(Woo woo)
If you care don't you dare blur my vision
(Woo)
Let me be all that I can be
Don't smother me with negativity
(Woo)
Whatever's out there waitin' for me
(Woo woo)
I'm gonna face it willingly, woo ooo
I've got a right to be wrong
My mistakes will make me strong, hmm mmm
I'm steppin' out into the great unknown

I'm feelin' wings though I've never flown
I've got a mind of my own
I'm flesh and blood to the bone
See, I'm not made of stone
I've got a right to be wrong
Woo so just leave me alone
Got a right to be wrong
I've been held down to long
(Woo)
I've got to break free
(Woo woo)
So I can finally breathe
Got a right to be wrong
Got to sing my own song
(Woo)
I might be singin' out of key
(Woo woo)
But it sure feels good to me
Got a right to be wrong, ahh
So just leave me, alone hmm mmm
Huu hmm mmm
Huu hmm mmm
Naa aaa
Huu haa
Woo
Got a right
Got a right
Huu haa
Got a right
Got a right
Haa ahh whao
