Kick In the Teeth (Live At Fillmore Detroit)

Papa Roach

We live in a cold dark world with venom in it's fangs.
You can spit it in my face but I know I'll be OK
It's on the attack.
It's a war, it's a game.
A ball and chain chew my arm off to get away
Don't fight, or it deny it, invite it 'cause when itFeels like a kick in the teeth, I can take it.
Throw your stones and you won't see me break it.
Say what you want, take your shots.
You're setting me free with one more kick in the teeth
(Na na na na na)
Kick in the teeth (na na na na na na)I gotta say thanks 'cause you kick me when I'm down
I'm bleeding out the mouth.
I hope you know I'm stronger now.
I'm taking the hate, I'm turning it all around.
I wont go down 'til I'm six feet underground.
Don't fight, or it deny it, invite it, 'cause when itFeels like a kick in the teeth, I can take it.
Throw your stones and you won't see me break it.Say what you want, take your shots.
You're setting me free with one more kick in the teeth
(Na na na na na)
Kick in the teeth (na na na na na)What doesn't kill me only,
Will make me stronger in my head
In my head'Cause when it
Feels like a kick in the teeth, I can take it.
Throw your stones and you won't see me break it.
Say what you want, take your shots
You're setting me free with one more kick in the teeth
(Na na na na na)
Kick in the teeth
(Na na na na na)
Say what you want.
Take your shots.
You're setting me free with one more kick in the. teeth
(Na na na na na)
Kick in the teeth (na na na na na)
Kick in the teeth (na na na na na)
Kick in the teeth (na na na na na)
