Humor Me

Pere Ubu

Oh
It was the first thing that I saw
You never see that kind of Classical Girl
Understand
It was the first thing that I saw
That was fate
It was the ballistics!
No
that was fate
It was a world
What a world!
What a world?
What a big world
But a world to be drowned in
It's just a joke man!
Another day?
Well
SUFFER
for that's the way of the west
SUFFER
Oh
Oh it's a joke!
It's a joke
Oh
It's a JOKE
That's a joke?
Hunh-unh
Well
humor me
