The Unwanted

The Veer Union

All your questions make no sense but you keep asking
For the answers to your contemplation of it all
(You know what you are, you know what you are)
Of it all (You know what you are, you know what you are)
You know that you're just a waste of time
The unwantedStay away
Safe from me (The unwanted)
Stay away
Safe from me (The unwanted)
You know that you're just a waste of time
The unwanted
You're so self indulgent but you're blind to all your flaws
That you have held in
Just let go and free yourself
(You know what you are, you know what you are)
Free yourself (You know what you are, you know what you are)
You know that you're just a waste of time
The unwantedStay away
Safe from me (The unwanted)
Stay away
Safe from me (The unwanted)
Stay away
Safe from me (The unwanted)
Stay away
Safe from me (The unwanted)
I hope there's a day the dark denies you
I hope there's a day that light will find you
I hope there's a day the dark denies you
I hope there's a day that light will find you
Find you
The unwantedStay away
Safe from me (The unwanted)
Stay away
Safe from me (The unwanted)
Stay away...
You know that you're just a waste of time
Stay away (You know what you are, you know what you are)
Stay away (You know what you are, you know what you are) (The unwanted)
Stay away...

You know that you're just a waste of time
Stay away (You know what you are, you know what you are)
Stay away (You know what you are, you know what you are)
